Italian Grille

You have experienced our great cuisine; now learn to prepare it yourself! Join us each month as Chef Alberto leads you on a culinary journey. Create fantastic fare from appetizers to desserts alongside Villagio Italian Grille's top chef. Chef Alberto will prepare all foods from scratch and show you how you can do it too! Enjoy a light fare during the class, sip on Mimosas (perfect for a Saturday morning). The Journey will conclude with the chance to enjoy the very dishes you just learned about and each course will be paired with some fabulous wines.

Class size is limited. For reservations please contact Bridget Engel at 904.940.8647
